

# ChicagoGigs.com VENUE KIT

**ChicagoGigs.com is a trusted source for information relating to live music events in the Chicago area. Venues can join the ChicagoGigs community and drive targeted traffic to their web sites.**

- With an average of 75,000 user sessions (over 1 Million 'hits') per month on the web site, the ChicagoGigs.com concert database is an active resource for Chicago music fans.
- Member Venues benefit from links to their web site from each event listing, the venue details page and their listing in the Venue Directory.
- "Buy Tickets" links are also available on the search results page and can be directed to the venue web site or other ticket provider.
